

COVID- 19 Policy

In order to comply with the latest Government guidance, My Little Teepee & Co are regularly reviewing the safe practices we have in place.

- DUE TO THE NATIONAL LOCKDOWN WE ARE NOT ABLE TO OFFER TEEPEE SLEEPOVERS & IN PERSON PRINCESS VISITS AT THIS TIME.

Booking Numbers

While the majority of our surrounding areas are currently in Tier 3 & 4, we are only able to supply our tepees for same/sibling household bookings. We will regularly update our policy in line with Government guidance and notify our clients of any changes. It is our client's responsibility to adhere to their local Covid regulations. If it comes to our attention that the rules have been breached, we reserve the right to cancel the booking and/or collect the equipment immediately.

Safe Practices

- Our equipment will be sanitised in-between bookings, and we will not be hiring our equipment out for back to back bookings to allow a 72 hour rest period.
- All removable items such as mattress protectors, bed linen and tepee covers will be laundered in addition to sanitising our accessories.
- We ask that our clients clear the space prior to our arrival and maintain a strict 2 metre distance during set up.
- Our team members will be wearing full PPE (as per local regulation requires) and we kindly ask that if the client needs to be present for setup that they wear a mask and maintain a 2 metre distance.
- No children are permitted during set up and we ask that **only** one adult be present during set up where necessary.

- Should any person within the household display symptoms prior to the booking, please notify us so we can endeavour to arrange an alternative date. (This will be a minimum of 14 days after symptoms appeared).
- We will not supply bookings for any households that have 1 or more person/s in isolation. (This also applies to people that are isolating due to contact with another positive case).
- For the purposes of track and trace, we will keep all relevant details for a period of 28 days.
